

## IDAHO FALLS ROTARY CLUB CENTENNIAL PROJECT

The Idaho Falls Rotary Club was established February 4, 1918 and was chartered by Rotary International on April 1, 1918.

To commemorate the Idaho Falls Rotary Club Centennial, our club will develop a specific Rotary Commemorative Project within the new Heritage Park.

The Rotary Past Presidents Centennial Committee asks that all Rotarians honor their Rotary Membership with a personal contribution to help fund our Heritage Park Centennial Project.

The CLUB suggested contribution is \$10 for each year of your membership.

We would be grateful for a larger donation, if it fits your circumstances.

Won't you join us on this great project? Please Pledge to Contribute!
